

LED FLOOD LIGHT

DMX512 RGB

## Dimension

unit mm

|                     |                               |
|---------------------|-------------------------------|
| BigDot Octave Light | Color Changing DMX512 control |
| Product name        | RGB LED FLOOD LIGHT           |
| Chip Type           | SMD5050 RGB LED               |
| Power               | 270W                          |
| Beam Angle          | 120°                          |
| Input voltage       | AC100-277V                    |
| Lamp Size           | L565*W457*H65mm               |
| Weight              | 11.00KG                       |
| Carton Size         | L610*W500*H115mm              |
| Finish Color        | Black                         |
| Waterproof Grade    | IP65/IP66                     |
| Power Factor        | >0.95                         |
| Life span           | 50,000hrs                     |
| Fixture Material    | Alumium+Glass                 |
| Warranty            | 5 years                       |
