### Construction & Installation

Crescendos are constructed with aluminum shell casing, and optics plastic. Each fixture is IP 65 and will transform your dry location arches. Each fixture is connected to one another through standard Cat 5e shielded wiring via RJ 45 plugs and connectors

### Electrical & Operations

The 300w Crescendo fixture can operate on universal voltage (120-277V).

### DMX-Full Scale RGBW Practical Applications

Colorize your wash! Whether it be by your blowers or while wall washing the inside or outside of your wash, the Crescendo will leave you with an experience you won't forget!

Octave RGBW LED Light	DMX-512 Controllable
